## TRAINING SUMMARY

### Full Stack Web Development

Organization : Stack Learner

Topic Covered : JSX, Virtual Dom, Components, States, Hooks, Life Cycle Methods, State Management etc.

Duration : 1 Year (Jun, 2021-May,2022)

### Complete Web Development

Organization : Programming Hero

Topic Covered : HTML, CSS, Bootstrap, Tailwind, JavaScript, React, NodeJS, Express, MongoDB, Firebase, Git, MERN stacked based libraries and so on.

Duration : 6 Months (January-May, 2022)

### Redux

Organization : Learn With Sumit

Topic Covered : States, Hooks, Life Cycle Methods, State Management, Redux actions and reducers, etc.

Duration : 1 Month (August 2022)

## EDUCATIONAL QUALIFICATION

### BSc. in Textile Engineering

University : Bangladesh University of Textiles

Duration : March 2018– March 2023(Expected)

## LANGUAGE PROFICIENCY

Bengali : Excellent

English : Comfortable

Hindi : Basic

## CO-CURRICULAR ACTIVITIES

### Instructor (English & ICT)

Organization : Proceed Coaching Centre

Duration : 2019 – 2022

### Campus Ambassador

Organization : Science Magazine Bangladesh

Duration : 2019 – 2022
